Flake-Flooring Colours

MultiBlast has been installing Flake Floors in Australia for over 15 years. Our decorative 5 coat epoxy system is a cost effective way to make a number of different areas not only look fantastic, but ensure a very durable and lasting floor. Flake Flooring is ideal for many different applications including garage floors, laundries, bathrooms, patios, rumpus rooms, and many more. MultiBlast offers a huge range of colours and variations that will completely transform any floor, new or old.
